FIELD MAP

Once you arrive on the site, please observe the signs.

Please see the Field Commander at the registration desk before unloading and setting up your picnic and kindly follow directions given by the staff.

Drive safely, see you there!

CONDITIONS OF ENTRY

Being a natural bushland, there could be some snakes, spiders and ants. So far we have never encountered any, but all staff carry first aid kits in case. Players are usually safe if they play within the designated boundary.

Climbing trees, throwing objects, or disturbing wild life are strictly prohibited.

There should be enough space for all cars to park. Please make sure you only park in the designated area marked by the signs.
